CURRENT ACTIVITIES

Ismaili Graphics National Task Force

Designed graphics and animations for the Ismaili Religious Community for national and international events. Portofilo includes branding, logo creation, poster and flyer design. The audience for displaying work is on the magnitude of tens of thousands of people.

PAST ACTIVITIES

iCodeCamp.github.io – Chicago, Illinois	June 2017 – August 2017
Created and taught two six-week curriculums for high school girls and boys to learn about the awesomeness of computer science and software engineering.	
Alternative Winter Break Facilitator – Los Angeles, California	January 2017
Group facilitator for college students that engage in multiple service opportunities for the City of Los Angeles and participate in discussions that expose the multidimensionality of problems such as homelessness, food shortages, and refugee crises.	
Camp Al-Ummah Counselor – Meadville, Pennsylvania	June 2016 – July 2016
Counselor for a high school residential program that serves to develop exemplary, happy, American Ismaili youth who are well integrated into Western society. Held modules that allowed participants to create their own personal websites and learn about internet safety.
